

Jacobs University is a private, state-accredited, English-language research university in Bremen. We offer PreDegree, Bachelor's, Master's and PhD programs in the Focus Areas Health, Mobility and Diversity and are committed to the professional development of specialists and managers and to knowledge transfer. Guiding principles include the highest standards in research and teaching, interculturality, and cross-disciplinary collaboration. The aim is to optimally prepare talented individuals from all over the world for responsible tasks in a globalized working world. Currently, approximately 1,500 young people from over 110 nations live and learn on campus.

The School of Business, Social and Decision Sciences invites interested candidates to apply for the next possible date (preferably 01.09.2022) as a

Research Associate (PhD candidate) (m-f-d)

(Full-time; 38.5 hours/week; limited for 12 months)

Job ID 22~47

Your responsibilities:

The successful candidate will

- collaborate in various research projects and work on his/her PhD thesis (cumulative PhD based on English-language journal publications),
- support teaching activities and help to implement digital tools into teaching, and
- bridge research and teaching activities of the chair with social, political, academic, and entrepreneurial activities of student clubs and accounting and auditing practice.

Your profile:

The successful candidate will

- hold a Master's degree in Business, Economics, Business Informatics or equivalent (above-average grades),
- be fluent in English and German, and
- have high organizational and communication skills as well as team skills, flexibility, and initiative.

Candidates should ideally have

- quantitative research experience (e.g., empirical master thesis),
- work experience in the field of accounting, auditing, or finance, and
- experience in project management.

We offer:

- The result counts: trust working hours for work-life balance
- Individual induction, promotion and development planning
- Free, extensive sports and health offers
- Qualitrain
- Green campus with recreation areas
- Jacobs University has extensive programs on sustainability, environmental sustainability, equal opportunities and high ethical values

If you enjoy a dynamic international working environment and like to work in a highly motivated and friendly team, you are exactly right with us! You can expect an open corporate culture with flat hierarchies as well as interesting and challenging tasks. During your induction, you will be optimally prepared for your area of responsibility.

Your application:

Interested candidates are encouraged to submit their CV with a two-page cover letter that includes a statement of research interests electronically to:

Prof. Dr. Andreas Seebeck - Jacobs University Bremen

a.seebeck@jacobs-university.de

The review of applications will begin immediately and will continue until the position is filled.

Jacobs University offers full equality of opportunity to all qualified applications and is an equal opportunity employer.
