

Reporting Senior Specialist with German

At AB InBev, Challenge Accepted isn't just a phrase; it's a mindset. That's because we're the world's largest brewer, with iconic brands like Stella Artois, Corona and Samson.

We're a team of curious individuals who see every challenge as a new opportunity to do something incredible. We're resourceful people who thrive under pressure and take ownership of our success. Because we're owners, we take results personally. We dream big, take on new challenges and push the boundaries of what's possible. Join us and you'll be responsible for supply chain operations at the best beer company in the world. You'll take the lead from day one, speak your mind and grow your career faster than you thought possible.

Our international team of 500 Logistics, HR and Finance specialists are always looking for new ways to refresh and create products, build stronger brands and have a positive impact on consumers and the communities where we live and work.

The role

- Support and control the process of volumes collection (via local tools, excel templates)
- Ensuring the data flow from the local volume tool to SAP
- Perform sanity checks regarding accuracy and manage standard cases of the process
- Solve operational issues, analysing the root causes and come up with process improvements
- Capturing all incoming files or e-mails from customer by defined channels according to SLAs agreed with customers
- Monitor necessary updates in SAP within the team or cross functional team
- Cooperate with cross functional teams to improve the end to end process
- Provide on time answers or solutions on the existing issues
- Revise processes and maintain manuals
- Participate in the projects oriented on process improvement or automations

Who we're looking for:

- Curious, ambitious and resilient people who thrive in fast-moving environments
- Able to work on own initiative, prioritize workload effectively and follow up on projects
- University degree or relevant working experience
- Open-minded individuals who are flexible and enjoy change and ad hoc projects
- Advanced Excel and PowerPoint skills, SAP knowledge is a plus
- English and German language- needed

Benefits:

- Individual Bonus, paid twice a year
- Accident, Health and Luggage Insurance
- Work-life coaching program
- 25 days of holidays
- Meal vouchers
- Multisport card
- Edenred Benefit caf e card
- Compensation of income during long term illness
- Company events
- Office refreshment
- Beer vouchers
- Language bonus

What you can expect from us:

In this role, you'll have the potential to transform our business and your career. We're a meritocracy, with plenty of room for growth and development, so you know your hard work will be rewarded. We encourage you to think big and go after your goals. You'll get to be creative, work with international

teams so you can build a global network and have direct control over your career and where it takes you.

As the leading global brewer, we are committed to bringing people together for a better – and more equal – world. A more equal world starts when everyone can thrive. At Budweiser Brewing Group, we value the diversity of cultures, perspectives, skills, and experiences within our workforce. We strongly encourage women, people of color, LGBTQ+ individuals, people with disabilities, and members of ethnic minorities, foreign-born residents, and veterans to apply.

If this sounds like the incredible opportunity you've been waiting for, apply today.
