

ABOUT YOU[®]

Working Student IT Administration (m/f/d)

You enjoy being the contact person for all departments to answer all incoming questions about IT administration? You want to offer our employees a high level of IT support? Then you are the right person to support our **IT administration team** as a **Working Student IT Admin (m/f/d)**. The IT administration team takes on great responsibility at ABOUT YOU, as they provide the entire internal infrastructure for our company. The tasks range from first level support to the implementation of new software. Our goal is to automate as many processes as possible.

Challenges that the team will face:

- Optimization of onboarding through automated OS deployment
- Optimization monitoring for our offices and stores
- Setting up central identity management with Active Directory

What you will do

- Support in setting up new hardware
- First-level support from colleagues for hardware, software and network tasks
- Implementation of the technical on- & off-boarding of new employees
- Multifaceted working environment (Atlassian Stack, Synology DSM, Cisco WLC)
- Work in an agile and international environment

Who you are

- Secure handling of Windows and macOS
- Good knowledge of common MS Office applications and other standard applications
- Friendly and helpful appearance
- Fun in the familiarisation with different IT topics
- Fluent English spoken and written

Nice to have

- Experience in the administration of Active Directory OpenLDAP
- Experience with Linux/Ubuntu
- Fluent German spoken and written

Benefits

- Fresh fruit every day
- Sport courses
- Exclusive employee discounts
- Free drinks
- Language courses
- Company parties
- Subsidized HVV ProfiTicket
- Central Location
- Flexible Working Hours
- Hybrid working
- Dog-friendly office

YOU ARE THE CORE OF ABOUT YOU.

We take responsibility for creating an inclusive and exceptional environment where all genders, nationalities and ethnicities feel welcomed and accepted exactly as they are. We believe that a diverse workforce essentially contributes to the ABOUT YOU culture. In order to maintain talent and diversity, we emphasize the care for physical health, mental health and overall well-being. Our values and work ethics essentially contribute to our brand mission: empower acceptance and shape an inclusive, fair and circular fashion culture.

We are looking forward to receiving your application – preferably via our online application portal! Thus, we can ensure a faster process and for you it is very easy to upload your application documents. :-)
